ABOUT ME

Hi! My name is April Baird, and I'm a Graphic Designer and Illustrator. I've been drawing since I was a child, and went to college for Digital Animation, then Graphic Design. After graduating, I found work in print and sign shops, but continued to draw.

I started selling my illustration work at conventions, markets, and fairs in 2010. Under the name April M Designs I have sold across Nova Scotia, the other Maritime Provinces, and in

Ontario. I have created many different illustrations, paintings and designs that have been loved by all.

In 2023 I launched Lines on Paper Print & Design. After working for others for 20+ years, it was time to be my own boss. I decided to retire the name April M Designs to have Lines on Paper represent both sides of my creativity.

I specialize in print goods such as art prints, stickers, magnets, vinyl graphics and greeting cards. I print and produce the majority of the items I sell and the packaging.

I have sold my work on a consignment basis in a few shops in Halifax, Nova Scotia, but this will be my first year selling wholesale. I am excited for this new chapter in my creative business!
